To Whom It May Concern:

I'm pleased to recommend BANR Enterprises to your company. Over the past 10 years, I worked directly with Scott Davis, president of BANR on numerous excavating, utility projects, and wetland mitigation. Their services and creativity are top-notch, and we have been very pleased with the work they've done for us.

Most recently, BANR completed the clearing and site fill for Meridian Business Park Phase II, in the fall of 2010. This entailed extensive erosion control, timber falling, stump removal, onsite brush grinding, import and placement of fill material, storm drainage, seeding and restoration.

Through the years, BANR has been on time and on budget with their projects for our company. I recommend them without hesitation and would hire them again if given the opportunity.

Sincerely,
